Hill Country's Pete Daversa to Get the Nightline Treatment Tonight

The pitmaster has to eat, too! (Photo: ABCNews)

At first, Pete Daversa, **Hill Country's** gifted pitmaster, doesn't seem to be a likely candidate for a *Nightline* platelist. He isn't an obese old-timer, packed to the gills with folksy aphorisms and red-state scorn for all food besides barbecue. He doesn't have a beard or overalls. He's a young guy who lives in Hoboken. He just happens to be one of the best pitmasters in America, and *Nightline* presents him as such. In the meantime, check out the profile they've put up on their site: **ABC: From Info Technician to Barbecue Magician**
